

V-Tek Fins Limited Lifetime Warranty

Aqualung warrants to the original purchaser that the V-Tek fin will remain free from defects in materials and workmanship throughout the useful life of the product provided that it receives normal use and proper care.

This warranty originates from the date of consumer purchase. This warranty is limited and is subject to the restrictions given below.

This warranty does not apply to units subjected to misuse, abuse, neglect, or modification. This warranty does not cover damages caused by exposure to excessive heat, prolonged sunlight, corrosive chemicals, or deterioration due to normal use or wear and tear.

This limited warranty is extended only to the original purchaser and only for products purchased directly from an authorized Aqualung Dealer and is not transferable.

Aqualung shall not be responsible for any damages due to loss of use of the product or any other incidental, consequential or indirect costs, or damages incurred.

This warranty is limited to repair or replacement only at the discretion of Aqualung Inc.

Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights. You may have other rights that vary from state to state and country to country.
