Re: Change in ordering instructions-Survival Egress Air

Date: 1 November 2011

The purpose of this document is to alert you that U.S. Divers GSA Contract # GS-07F-0011M will expire on 30 November 2011 and will not be renewed.

However, the items contained on this GSA Schedule have been transferred to our subsidiary company's GSA schedule, Aerial Machine and Tool Corporation. Aerial's GSA contract number is GS-07F-0027M. All of these items are available at the same price to the Federal buyer. Aerial is not new to the Department of Defense and has been doing business with the Government since 1941.

This transfer activity is solely due to a change in organizational structure at both companies. Rest assured that the Survival Egress Air and family of spares will continue to be manufactured and logistically supported at our world class manufacturing facility here in California.

The new POC's at Aerial are as follows:

Aerial Machine and Tool Corporation
4298 Jeb Stuart Highway
Vesta, VA 24120
Phone: 1-276-952-2006
Fax: 1-276-952-2231
Web Site: www.aerialmachineandtool.com
Ordering POC: James Houchins
CAGE Code: 70133
DUNS #: 00131551262
GSA Contract #: GS-07F-0027M

Please let us know if you have any questions and this new ordering procedure is effective immediately.
