

ROCKET II FINS

- Our most popular fin for professional diving
- Large "Big Foot" pocket fits over heavyweight dry suit boots
- Lightweight flexible rubber - neutrally buoyant in water
- Extended foot pocket provides superior leverage when swimming
- Improved foot pocket has drain holes and floor ribs to reduce suction
- Molded in reinforced grommet type holes for tethering
- Fin strap has large rubber loop for pulling on straps and tether option.
- Heavy duty stainless steel buckles with bolt and locknut for easy field repair
- Overall length: 22in (56cm) approx, Blade width: 9.5in (24cm)
- LARGE = Sizes 9 to 11, SUPER = Sizes 12+

Rocket II
