Favorite among resorts, tour operators and diving academy worldwide.

RELIABILITY COMFORT DURABILITY

### WAVE 2010 BCD

The Wave and Wave Jr. BCs have been completely redesigned for 2010. While they still retain their rugged, fade resistant materials, they have been refreshed with exciting new cosmetics and additional features.

- Made from tough, fade-resistant 1000D Armorshield™ Cordura® - looks still new after thousands of dives!
- A scooped octo-pocket on the top front of the right lobe makes it easy to deploy and stow an octopus.
- A console pocket on the left side holds the console safe in place.
- Two large utility pockets are easy to access and will hold all your goodies
- Pull dumps are with hi-viz orange color to be seen and found easily
- The waistband is adjustable over 3 sizes and removable
- Features two stainless steel flat D-rings
- Includes chest strap and lower rear pull dump
- Accepts an optional SureLock II weight system (available separately) once you want to upgrade or resell!

**Size XXS also features:**

- A detachable double adjusting crotch strap made with neoprene center for extra comfort
- Optional tank band for 30 cu. ft. cylinder

### CALYPSO REGULATOR SET

- This is our "workhorse" in the daily rental operation - now it is even easier and cheaper to service
  - In-line, high-flow piston design - simplicity at it's best!
  - High-performance, mid-size 2nd stage: No tools needed for maintenance
  - Convert to left-hand regulator without tools or any additional spareparts
  - Vane Adjustment Switch (VAS) controls venturi assist to reduce sensitivity to freeflow on surface and provide maximum air flow at depth
  - Enlarged oral breathing channel with Comfo-Bite™ mouthpiece
  - Meets the CE requirements for cold water diving <50° F
  - The first stage looks shiny and new due to its bright chrome finish
- The console Slimline 2 Instruments is reinforced with an epoxy point reducing shock's damages.

### STRATOS FINS

- A high performance two layer full Pocket fin - no other fin lasts as long as the STRATOS!
- Central section uses a special material to give softness and stability.
- The rubber section of the fin compresses with the downward kick and springs back when released.
- The design of the technopolymer foot pocket and the angle of the blade makes it easy to slip-in.
- Available in a black and blue, 5 to 6 sizes (from 36/37 to 46/47).

### LOOK MASK

- The comfort and fit of the LOOK mask have made it a long standing favorite with all dive operators.
- Also available in clear Skirt.
- Optical lenses available for + and - corrections
- All spare parts available separately
