**AQUA LUNG**  
SPORT

by aqua master

Welcome to Aqua Lung Sport, the premium snorkeling line from Aqua Lung, the inventor and largest manufacturer of sport diving equipment. From compact sets that pack easily in your suitcase to dry snorkels, powerful fins or comfortable masks, we have what you and your entire family needs to enjoy your next aquatic vacation.

Not all snorkeling equipment is created equal. If you want the comfort of the best material made for underwater exploration and use the newest technology to assist you in discovering the local reef, then Aqua Lung Sport is the right choice for you.

## Go ahead... Make a splash with our travel ready sets!

The travel sets series offers a great selection of snorkeling gear for Man, Ladies and Kids coming in a nice carry bag.

## Combo Set Aqua Lung Sport in clamshell

All combos are coming in a well designed clamshell with all detailed features for a professional presentation in the shops without getting dusty or sandy. Of course, the clamshells can be opened and closed again for an easy try-out of the fit.

With a small adult mask sized and super soft and durable hypoallergenic silicone, the DIVA LX set offers an ultimate comfort and leak free fit. Available in Pink and Pearl Blue.

The ADMIRAL LX set is design to enhance your snorkeling experience. With his Pivot Dry Technology, the ISLAND DRY snorkel will keep all water out of the breathing tube. Enjoy snorkeling with the right gear ! Available in Blue and Silver.

Masks & Snorkels also available separately, but the combos are not only setup in an attractive color-combination, they also offer a great **price-reduction of some nice 340 THB** compared to the single items!
